"Your Global Partner in Agricultural Excellence"

About us

Who We Are

AGRICA (Agriculture Cairo) is a Cairo-based grower and exporter of high-quality agricultural commodities. Building on decades of family heritage in farming and trade, we connect Egyptian agriculture with international markets through careful sourcing and reliable supply. We are proud to be one of Egypt's most reliable export partners, serving clients across Europe, Africa, Asia, and beyond.

Our Mission

To provide global markets with access to Egypt's finest agricultural products through a commitment to quality, integrity, and sustainable sourcing.

Our Vision

To become the leading Egyptian agricultural export brand, known for our reliability, transparency, and customer-first approach.

Our Products

We offer a wide selection of agricultural commodities, carefully sourced, processed, and packaged to meet international standards. All products are available in bulk or customized packaging.
